This will confirm that you have agreed to participate in the New Enterprise Forum Showcase program at a date and location that will ultimately be determined in consultation with your assigned NEF Content Lead. As a nonprofit organization largely staffed by volunteers, our outreach with the entrepreneurial community seeks the cooperation of its Showcase Presenters to highlight both the presenter's participation, as well as the Presenter's non-confidential and public presentation materials. We are therefore requesting your permission to record, edit, transcribe, duplicate, and distribute any portion or entirety of your participation and materials as a Showcase Presenter, in any and all media now existing or later developed throughout the world. As a condition of presenting at a New Enterprise Forum meeting and for no monetary compensation, the New Enterprise Forum further requests the nonexclusive worldwide rights to reproduce, and distribute any written, audio or visual material in connection with your Showcase Presentation, in whole or in part, in any media, as part of a program, radio/tv/print/internet interview, web page, digital advertising, social media, promotions, app or any other publication published under the auspices of the New Enterprise Forum and to license these rights to others.

You also grant the New Enterprise Forum the right to use your name and voice, and, if we so choose, your photograph and biography, in connection with your participation and in any future modifications, derivations and composites of your participation with the New Enterprise Forum. You agree that you shall have no right, title, or interest in or to the future works, and that you shall have no claim of any kind or nature against the New Enterprise Forum based on its exercise of any rights you have granted in this Release. In addition, you waive any and all rights you may have to inspect or approve of any future works. Finally, all rights that you grant to the New Enterprise Forum are irrevocable and not subject to rescission, restraint or injunction under any circumstances.

You warrant that your participation, discussions and any other material you create are original to you, that their publication will not infringe on the rights of others, and that you have full power to grant this license. Should any materials or content you use during your participation require permission for use by the New Enterprise Forum, you agree to obtain that permission from the copyright proprietor consistent with this Agreement.

If the foregoing terms are satisfactory, please sign and date this Agreement below and return it to the NEF President or the NEF Vice President of Programs. Execution of this Agreement does not obligate the New Enterprise Forum to publish any comments, feedback, interviews or other materials.

I hereby consent to the use of my participation and other materials as described and agree with the provisions of this Agreement.
